Wuethrich, Hendricks Retire from MMC Board

Memorial Medical Center announces the retirement of two long-time Board members: Dallas Wuethrich of Grassland Dairy (Greenwood) and Roger Hendricks, a retired pharmacist (Greenwood). Both individuals served on the Board for several years, representing their community's needs and helping to shape strategies for Memorial's growth.

"It has been a privilege to serve with Roger and Dallas. Their commitment to community and health care is evident, and we are very grateful for their service," stated Bob Barth, Board president.

Wuethrich joined the MMC Board in 1999, serving as Vice President since May 2006. Hendricks has been on the board since 1990, and served on the Country View Apartments Board for over ten years.

"Serving on the MMC board has been an honor. This organization provides employment and benefits to over 300 families. Staffed by excellent doctors and personnel, the clinic and hospital are able to serve patients' medical needs without making them wait an extended period of time. I have enjoyed working with these professional people, and wish the board, administration, and staff well in the future," commented Wuethrich.

"Learning the inner workings of a medical facility has been fascinating. It takes a lot of work, strategic thinking, and forward planning to remain successful. I think MMC has done that, and will continue to be successful in the future," stated Hendricks.

To fill the vacancies, a selection committee and selection process was implemented. The committee extended invitations to approximately twenty individuals, asking them to consider interviewing for the two open seats. New board members would be asked to serve a maximum of three, three-year terms. After holding interviews with candidates, discussing results at committee meetings, and securing a final vote from the Board, MMC is proud to announce that Trevor Wuethrich of Grassland Dairy and Kevin Grap of WCCN/107.5 The Rock accepted nominations to serve on the board.

"Kevin and Trevor will help to guide us through one of the most challenging times in health care's history. We took the recruitment process seriously, making sure new members have a good feel for their role and responsibilities. We feel very lucky to welcome such dedicated, high-caliber individuals to our board," commented Scott Polenz, CEO of Memorial Medical Center.

Dallas Wuethrich and Roger Hendricks are honored at their last MMC Board meeting in November.
