Wuethrich & Hendricks Retire from Board of Directors

New Selection Process Implemented

As of November 2009, Memorial Medical Center's Board of Directors will say good bye to two long-time members: **Dallas Wuethrich** of Grassland Dairy (Greenwood) and **Roger Hendricks**, a retired pharmacist (Greenwood).

Both members served on the Board for several years, representing their community's needs and helping to shape strategies for Memorial's growth. Wuethrich served as Board Vice President since May 2006, and Hendricks served for over ten years on the Country View Apartments Board.

"It has been a privilege to serve with Roger and Dallas. Their commitment to community and health care is evident, and we are very grateful for their service," stated Bob Barth, Board president.

To fill Board vacancies, a Selection Committee and selection process has been implemented.

Individuals interested in serving are interviewed by the Selection Committee and rated on qualities such as:

- Interest and commitment to Memorial Medical Center's mission and vision
- Ability to influence and lead
- Time availability and time constraints
- Ability to think strategically and to plan
- Ability to contribute to and complement existing Board

"The people we invite to join our Board will be helping to guide us through one of the most challenging times in health care's history. We're take the recruitment process seriously, and making sure the candidates have a good feel for their role and responsibilities," commented Scott Polenz, CEO of Memorial Medical Center.

Board members can serve three three-year terms.

For further information about the role and responsibilities of our Board or the selection process, please contact Scott Polenz at 743-8453.

Our Mission

To provide the communities we serve the best experience in health care, education, and prevention, supported by our pillars of people, service, quality & safety, community, finance, and growth ... one patient at a time.

Our Vision

To become the best rural health care organization throughout the Midwest, in the eyes of our community, patients, medical staff, and employees.

Greenwood & Loyal Clinics at Full Staff

Family Care & Pediatric Care Available

For the first time since December 2008, our Loyal and Greenwood Clinics are operating with full staff.

Tina Opelt, NP, will once again staff our Loyal Clinic on a full-time basis.

Mon, Tues & Wed: 8am - 4:30pm
Fri: 8am - 3pm

Cindy Eckes, NP, joined Memorial in August. With orientation now complete, she works in our Greenwood Clinic.

Mon: 8am - 7pm
Tues & Thurs: 8am - 5pm
Fri: 8am - 3pm

Both Opelt and Eckes are accepting new patients, providing services including

women's health, complete physicals, chronic illnesses, infections, injuries, and writing prescriptions.

For parents seeking a pediatrician for their child — especially over the cold and flu season, Dr. Ken Weimer will have Greenwood office hours.

October 2009 - March 2010
1st and 3rd Wednesday of the month
12pm - 2pm

Dr. Weimer's specialties include well child visits, chronic illnesses, ADHD, pediatric sports medicine, asthma, and children with special needs.
