

Greenwood Clinic

PRIMARY MEDICAL CARE

At Memorial Medical Center of Greenwood you are not a number in the computer or a medical issue to be dealt with. You are a member of our community and part of our family. We want you to consider us as your health care resource, not just your “doctor’s office.”

MMC-Greenwood has been part of the community since 1992. As times and health care have changed, we have changed to meet the challenges of providing cost-effective, high-quality care in a personal and compassionate manner. Your health is our concern and our #1 priority is YOU.

OUR MISSION

To provide the communities we serve the best experience in health care, education, and prevention . . . one patient at a time.

Patients • Privacy • Prevention • Wellness

PRIMARY SERVICES

Primary Medical Care:

- Family medicine
- Prevent and treat injuries and diseases
- Wellness checks
- Diagnosis and treatment of acute and chronic illnesses
- Lab tests
- Medical and surgical follow up care

QuiqMeds — On-site Pharmacy

QuiqMeds® is an on-site machine allowing us to dispense common medications to save you a trip out of town to the pharmacy. Most acute illness medications and some long-term medications available.

DOT CDL Physicals

Jamie is certified by the National Registry of Certified Medical Examiners to provide commercial drivers license physical exams.

Occupational Health

The MMC Staff can help your business with occupational health solutions including pre-employment physicals, drug testing, and job site safety consultation.

WHAT IS A FAMILY NURSE PRACTITIONER?

Family Nurse Practitioners (FNP) are registered nurses who are licensed to practice medicine in collaboration with a physician. Family Nurse Practitioners work with patients to prescribe medications, diagnose illnesses, conduct exams, and provide full care to patients.

ABOUT OUR PROVIDER

Jamie Lindell comes to Memorial Medical Center with a comprehensive background as a Registered Nurse in outpatient, inpatient, ICU and surgical environments. She has a commitment to lifelong learning, diligence, integrity and attention to detail. She is a high energy professional who works well with both patients and staff. Jamie is now seeing patients in our Greenwood Clinic. She very much enjoys being active in the community.

Jamie Lindell, FNP

- Bachelor of Science in Nursing from Allen College of Nursing (Waterloo, IA) in 2007.
- Master of Science in Nursing at Graceland University (Independence, MO).
- Certified as a Family Nurse Practitioner 2013.
- Wheaton Franciscan Healthcare – Sartori Memorial Hospital in Cedar Falls, Iowa.
- Family Nurse Practitioner student with Marshfield Clinic at Sacred Heath Arcadia – Family Care in Arcadia, WI.
