

The Memorial Medical Center Foundation warmly welcomes support from our community members. Two giving opportunities exist at the medical center for our donors.

### Circle of Friends – Annual Giving

The “friends” create a partnership of family, friends, and neighbors to meet today’s health care challenges. You can become a friend with any gift amount to the Foundation, tax deductible. You may designate your gift as a memorial or an honorarium, and you may pay it in cash or credit card. Donors will be recognized yearly on our donor boards within the hospital. Certain benefits exist for our donors based on their level of commitment.

### The Heritage Society – A Commitment to our Future

The Heritage Society represents donors who have made, or are currently engaged in a three year pledge commitment for a minimum of \$500 per year. According to the Foundation Board of Directors, these names will remain permanently displayed within the medical center. Heritage Society Members help Memorial Medical Center plan for improvements into the future with their pledge.
